Subject: IAEA-WCI-KAERI e-learning course on
Diagnostic and therapeutic radioisotopes and radiopharmaceuticals application with foundational-level
regulation, Daejeon, Korea, Republic of, from 20 to 31 July 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RAS0096, "Developing Human Resources to Support the Use of Nuclear Technology for Development Including Emerging Needs Phase II".

The objective of this e-learning course is to transfer the crucial knowledge updates to the participants, in the diagnostic and therapeutic radioisotopes, radiopharmaceuticals and applicable regulations for clinical translation. The aim is to support long term strategies for strengthening capacities, in the field of radioisotope and radiopharmaceuticals in the participating countries.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **5 June 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
