2026-10-09

Subject: Interregional Advanced Training Course on the Development of Safety Assessment and Safety Case for the Storage of Sealed and Disused Sealed Radioactive Sources, Kuala Lumpur, Malaysia, from 25 to 29 January 2027

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT9187, "Sustaining Cradle-to-Grave Control of Radioactive Sources Phase III".

The purpose of the event is to train the participants in applying the Safety Assessment (SA)/Safety Case (SC) methodologies for performing the safety assessment for the storage of sealed and disused sealed radioactive sources.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **6 November 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

for 
Ozlem Esengin
Programme Management Officer
Division for Africa
Department of Technical Cooperation
