Subject: Interregional Training Course on Ocean Acidification: Chemistry, Biology, and Co-Design of Action Plans, Mombasa, Kenya, from 26 October to 6 November 2026

Dear National Liaison Officer,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT7022, “Strengthening Ocean Health for Sustainable Development: A Global Approach Using Nuclear and Isotopic Techniques”.

The purpose of this event is to train participants on diverse aspects of ocean acidification monitoring, experimental design, data analysis and reporting including the design of a regional and inter-regional action plans for ocean acidification.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants. We would appreciate receiving your country's nominations by **28 August 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Petra Salame
Programme Management Officer
Division for Asia and the Pacific
Department of Technical Cooperation
