Subject: Regional Workshop on Development and Implementation of Radioactive Waste Management Programmes, Tashkent, Uzbekistan, from 19 to 23 October 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9164, "Building Capacity for Radioactive Waste Management".

The purpose of the workshop is to discuss and share experiences in the planning and implementation of radioactive waste management systems across the full waste management lifecycle - from waste generation and predisposal management to disposal.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **24 July 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Maria del Pilar Murillo Fuentes

Programme Management Officer

Division for Europe

Department of Technical Cooperation
